Make Your Exhibit Shine

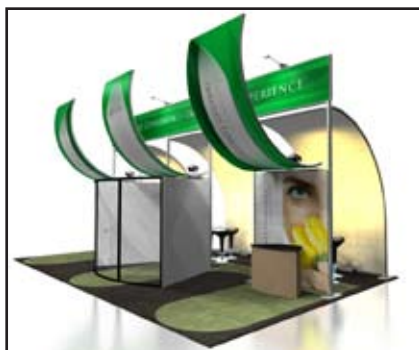

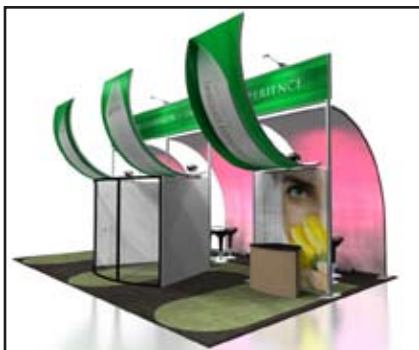

exhibiting solutions

## Take the Look of Your Exhibit to the Next Level

Attract attention and stand out from the crowd! From a simple color wash to changing colors and graphics, Skyline LED lights will add excitement to any exhibit.

Set Skyline LED lights to a single color to reflect your brand or rotate colors throughout your show. Lighting adds 'pop' to exhibits of any size.

## Components

Skyline's LED Lights bring big production values to exhibits with even modest budgets. Offering 16.7 million colors of light output, multiple levels of control flexibility, and a universal control scheme for easy expansion. Universal connectors allow for easy installation.

### Obey10 Controller

Allows you to produce complex light shows and can be used to create precise colors. Controls up to 8 lights independently.

### ColorDASH Par

Spotlights your message in brilliant color. Delivers color with a punch from a distance.

### ColorDASH Batten

Illuminates a large area with a vibrant color wash and brings your exhibit to life.

### ColorPalette

A lower cost option that brings the power of LED lighting to your exhibit.
